**Greatest
Hosiery Sale.**

Big Lots--Not Odds and Ends.

We never make a "noise" over small lots. We do not believe in advertising broken lines as great bargains and then disappointing the people who show their confidence in our announcements by coming to the sale.

What we advertise is always here in quantity and variety, so that all who come are sure to be served and satisfied. Saturday we make a bold stroke to reduce stock on certain lines of Hosiery. Read these two items, see the window display and come to the sale.
